[Brown]: "I'm Justice Jean Brown. I'm proud to have one of the most

conservative records on the Alabama Supreme Court.

My job is to strictly interpret the laws, not make new ones.

It was such a sad day when we had to comply with a federal judge's

order to remove the Ten Commandments display in our court.

That's why I lead the effort to bring them back.

Today I'm proud to say the Ten Commandments are legally back in our courthouse.

It was the right thing to do, and we did it the right way." [PFB]: Committee to Elect Judge Jean Brown
