[Announcer]: Before we pick a judge to make important decisions, their record matters.

Take Gordon Maag, ranked almost last among judges for his troubling record.

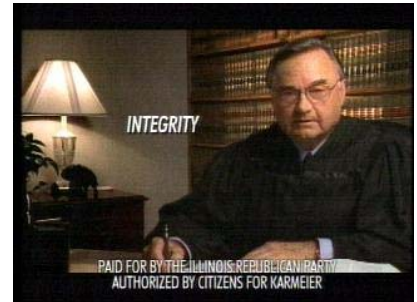

Including voting to overturn the conviction of a man who sexually

assaulted a six year old girl. There's a better choice. Judge

Lloyd Karmeier shares the southern Illinois values we live by. Rated

highly qualified by the Illinois State Bar, Judge Lloyd Karmeier has the

the integrity and common sense judgment needed for our Supreme Court. [PFB: Illinois Republican Party]
