[Announcer]: Who will fight for us?
 Lloyd Karmeier is supported by

groups working to fix the broken health care system. Gordon Maag is a

member of the trial lawyer's association that is blocking malpractice reform.

Karmeier believes courts should end frivolous lawsuits.

Maag's gotten a half million dollars from his trial lawyer supporters.

No wonder the Illinois Medical Society calls Karmeier the only choice

for Supreme Court. Maag will keep the current broken system.

For change choose Karmeier.
