[Announcer]: The Wall Street Journal reported Bethlehem Steel's attitude was 'they're just

a bunch of dumb hillbillies.' Judge Will T. Scott ruled Bethlehem Steel

wrongfully mined John Johnson's land, stealing his families

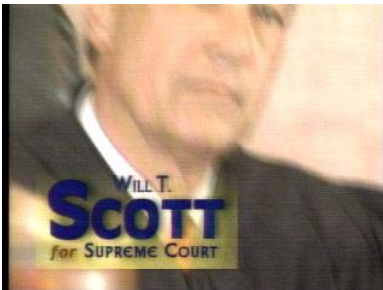

coal. When Will T. was elected judge he tackled a

huge backlog, including the Johnson case. The company

lied and lawyered their way into John Johnson's coal. Bethlehem Steel

learned there was justice at the end of Judge Scott's gavel. [PFB: Scott for Supreme Court]
