[Announcer]: There are two people asking for your vote to represent eastern Kentucky on the Kentucky Supreme Court.

Beware. The person on the left is wearing a robe, but he is not a judge,

he just plays one on TV. On the other hand, Kentucky Supreme Court Justice

Janet Stumbo is wearing a robe because she is a real judge.

She has been your voice on the Kentucky Supreme Court for 11 years.

We need a judge who honestly wears a real judicial robe.
