[Announcer]: Politicians like to talk about family values at election time.

But Supreme Court Justice Jeff Victory lives the family values politicians only talk about.

He is like the people he represents. A family man. An outdoorsman.

Active in church and community. Jeff Victory stands up for our traditional values.

He is one of the most widely respected judges to ever serve us.

He is our judge on the Supreme Court. The people's judge;

and when we re-elect Jeff Victory, the victory is ours.
