[Man1]: "In medicine a second opinion can be valuable." [Man2]: "For a second

opinion about who to support for the Ohio Supreme Court ask your doctor. Why?"

[Man1]: "To help keep good physicians from leaving Trumbull, Mahoney, and Columbiana Counties

you need to vote for candidates who would support legislation that would help reform

our current system of malpractice law." [Man3]: "We've documented that many

physicians have left our valley. Your access to health care is at stake. Ask your doctors who they're supporting

for the Ohio State Supreme Court or visit wheredoesithurt.org." [PFB: Where Does It Hurt, Org.]
