[Announcer]: It was a landmark case. A student sexually abused

by a teacher. An attorney, Brent Benjamin, who won a court victory on behalf

of this child and others. And sweeping school reforms to protect thousands of our children

from sexual predators. Why is Brent Benjamin so committed to keeping kids safe?

Maybe it's because he has five of his own.

Brent Benjamin, for Supreme Court.

For our children, for our future.

[PFB]: Brent Benjamin for Supreme Court
