[Thaxton]: "Hi, I'm Rebecca Thaxton. Six years ago my sister and I made a TV ad."

[Television]: "Warren McGraw is a fair, honest, and caring person and we know

cause he's our dad." [Thaxton]: "Well a lot has changed since then. My mom and dad now have

six grandchildren but one thing that hasn't changed

is Warren McGraw's commitment to West Virginia families.

Dad has always been fair with everyone, he wants the best for West Virginia.

Warren McGraw is a great Supreme Court Justice and a terrific Grandad too." [PFB: McGraw for State Supreme Court]
