[Rowe]: "West Virginian's are most concerned about their jobs. There are so many small business people

who are just hanging on, and who are struggling everyday

There is
a

to keep their doors open. Treating everyone equally will make

an enormous difference in the ability of West Virginian's to keep working

and the ability of the state to attract new, good paying jobs.

With common sense, with fairness and impartiality,

I believe I can make a difference." [PFB: Committee to Elect Judge Jim Rowe]
