[Announcer]: Warren McGraw's ads are a lie. He claims, [McGraw]: "I would never

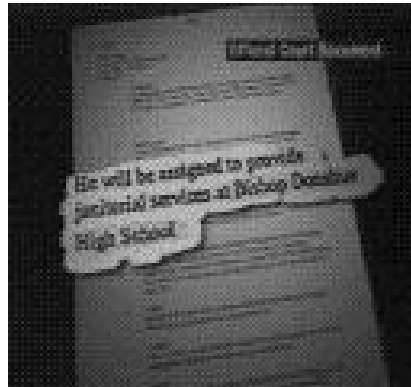

do anything to endanger a child." [Announcer]: Oh really? McGraw's ad

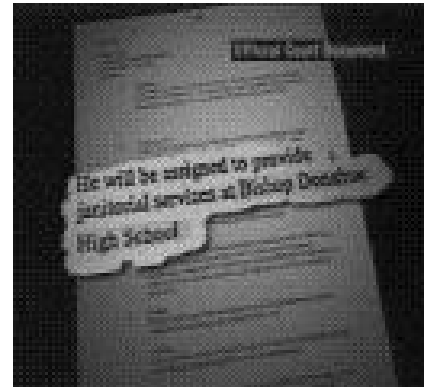

claims he never voted to release Harbaugh. Court records prove

McGraw's ad is a lie, and McGraw's ad claims he

never voted to put him to work in a school. Yet court documents show that McGraw

agreed to a plan calling for the rapist to work at a school.

Radical McGraw and his ad's; desperate, frantic, lying. [PFB: Sake of the Kids]
