[Announcer]: As West Virginia's most powerful political family, Warren McGraw and his brother Darrell McGraw

have been campaigning as a team for more than three decades. This year

Darrell McGraw's use of public money to support the campaign of the McGraw machine

has reached new heights as he first spent nearly \$1 million to fund an

elaborate advertising campaign featuring his name and image. A few months

later Debra Wanger was fired from Darrell McGraw's office for buying more than

\$140,000 of trinkets to be handed out in the final days of the campaign.

Here's another message from And For the Sake of the Kids that details the support

of the McGraw political family using public funds. [PFB: Sake of the Kids]
