[Stollings]: "I'm Dr. Ron Stollings, I write prescriptions to help people get better.

If I could write just one prescription to help keep our doctors in West Virginia, it would

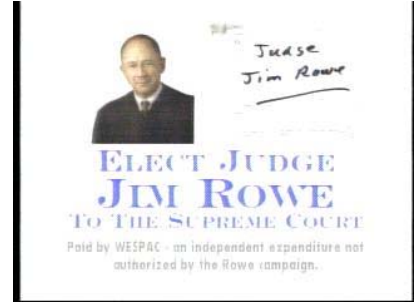

be to elect Judge Jim Rowe to the State Supreme Court. Our health care system is

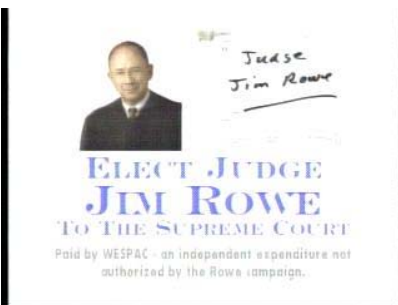

still in crisis because some members of our Supreme Court seem intent on creating new ways

to sue people and enrich personal injury lawyers, turning almost heaven

into lawsuit hell. The right prescription to keep your doctor in West Virginia

is electing Judge Jim Rowe to our State Supreme Court." [PFB: WESPAC]
