[Announcer]: You've probably seen the ads attacking Justice Warren McGraw. Problem is

the facts are dead wrong. Powerful, out-of-state, corporate interests

are spending big bucks to help Brent Benjamin lie about McGraw.

A Gazette article reports: "they are lying," "They should be

ashamed." Why are Benjamin's rich friends doing this?

They believe Benjamin will rule for them against the working people of

West Virginia. Don't let out-of-state interests control our Supreme

Court. [PFB]: West Virginia Consumers for Justice
