

ORGANIZATIONS SUPPORTING RULES REFORM (As of January 10, 2005)

The rules reforms proposed by the Brennan Center for Justice provide a framework for reform to improve the legislative process in Albany. The Assembly and the Senate each have the independent authority to adopt such common sense reforms when the chambers next vote on their rules in January 2005. We, the undersigned, urge the New York State Senate and Assembly to change their respective chamber's rules to improve the legislative process in our state.
