[Announcer]: Every now and then the choice for a judicial election is clear. Lisabeth Hughes Abramson

has been nationally recognized as one of the leading judges in America.

Appointed by both Democrat and Republican governors, Abramson has been elected by

the people to the circuit and appellate courts. Abramson has been

endorsed by Citizens for Better Judges and voted most highly qualified

by her peers. [Lisabeth Abramson]: "It's a great honor to represent the

people of Jefferson County on the Kentucky Supreme Court. I would appreciate your vote."
