[Various Speakers]: "My mom, I mean, for someone's whose so smart and so accomplished she's just pretty

much a normal person. She's very down to earth. One reason she takes her job so seriously is that she knows

that it matters to us people. She's a hardworking candidate, she has commonsense,

and a depth of understanding of legal issues.

She's a great all around person,

and she's ready to take on the Supreme Court for six more years."

[Announcer]: The best choice, Elizabeth Hughes Abramson, Supreme Court Justice.
