[Announcer]: Last year liberal TV ads smeared Bobby Jindal. Now their

smeared Bobby Jindal, but smears can't hide the truth.

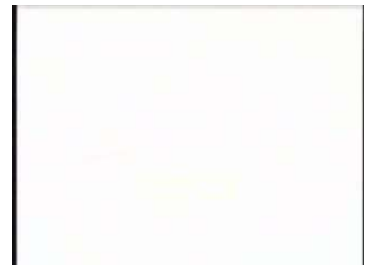

A former personal injury lawyer, Judge Jimmy Kuhn let dozens of violent

and drug criminals walk without any jail time. Kuhn even allowed the

killer of a man in a wheelchair to go free after only 18 months.

Greg Guidry is a conservative judge who put drug criminals and

corrupt officials behind bars as a prosecutor. Stand up for justice.
