[Announcer]: Nancy Allf grew up as the daughter of an FBI agent.

That's why law enforcement has endorsed her.

She is the immediate past president of the State Bar of Nevada.

Nancy Allf has been a settlement judge for the Nevada Supreme Court, a short trial judge for the District Court,

and she had a case before the U.S. Supreme Court.

[Woman]: "I can think of no one who is more qualified who has the experience and the integrity."

[Allf]: "We cannot read about another judge who has abused our trust."

I promise to restore your trust in our judges." [PFB]: COMMITTEE TO ELECT NANCY ALLF
