[Announcer]: We've heard it before, judge sights loophole,

sides with criminal that threatens our safety. Take Justice Louis Butler, his colleagues called him

"Loophole Louie". A woman beaten to death with a bat... Butler uses a loophole

suppressing critical evidence. A husband poisoned his wife...

Butler sights a loophole, almost jeopardizing the prosecution.

Butler doesn't mind being called, "Loophole Louie," he says it's "affectionate".

Call Justice Louis Butler, ask him to deliver justice, not loopholes.
