[Announcer]: A murdered wife left an envelope to be opened in the event of her death...

inside she provides a road map to her killer, Husband Mark Jensen.

[Female Voice]: "If anything happens to me, he would be my

first suspect." [Announcer]: According to the Wisconsin Law Journal, Louis Butler would not have allowed

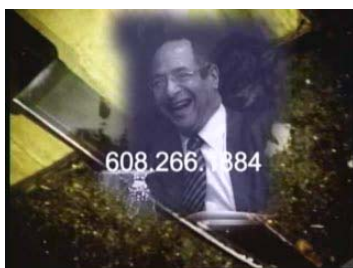

the Jury to hear the letter Julie Jensen wrote.

Cases taken up by the Supreme Court Butler sides with criminals nearly 60 percent of the time.

Tell Louis Butler victims, not criminals, deserve justice.
