[Announcer]: For Margaret Workmen, integrity has been a way of life. [Multiple speakers]: "I learned about values and integrity

just by watching the way my mom lives. Margaret Workman in a great

role model for our young people. She's honest and decent.

She's been a great mother. She'll make a great judge

and more than anything, she's fair. West Virginia needs the Workman brand

of integrity back on the Supreme Court. West Virginia

needs her back on the court." [Announcer]: Margaret Workman for a court we can believe in.
