CONCURRING AND DISSENTING STATEMENT

JUSTICE BAER

FILED: January 26, 2018

In my concurring and dissenting statement to the *per curiam* order dated January 22, 2018, I stated that I would cooperate with the Court's implementation of its order notwithstanding my disagreement so long as due process to all parties was protected. I remain concerned that the procedure detailed by the Court may not provide the parties with due process going forward. To the extent that a deprivation would occur, I dissent to the proceedings sanctioned by the Court.
